

MEMORANDUM OF AGREEMENT

Claro M. Recto Memorial Central School was selected as one of the recipient for the Rotary Club of San Antonio Circle's project "**Comfort Rooms for Healthy and Clean Community**". This communal toilet is provided to improve sanitation in the school. This modular comfort room will be built in a place agreed by both parties and proper care or use of toilet is expected.

It will be expected that the toilet will be well maintained by the school. It shall include the surrounding area where the toilet is located.

- I. Maintenance means cleaning activities, protective and preventative measures to keep the toilet in working order

Improper use and negligence to keep it clean and useful will mean that the club can take it and put it in a different community.

This agreement is made September 1, 2013 between Rotary Club of San Antonio Circle and Claro M. Recto Memorial Central School represented by Mrs. Maria Lourdes Cabanag, principal together with PTA represented by Mr. Apolinario Mercado, president.
