PLANNED ACTIVITIES

In a few short sentences, tell us your objectives for this global grant.

The project seeks to harvest Rain Water & Re-Charge the Under Ground water and provide Sanitary Toilet and Clean Drinking water to 1,500 villagers of Vill: Belpara Dist Hooghly, West Bengal.

Who will benefit from this global grant? Provide the estimated number of direct beneficiaries.

Approx 1,500 rural based impoverished rural population of village Belpara are expected to benefit from this project directly.

Which of the following activities will this global grant fund?

Humanitarian project

Humanitarian Project

Where will your project take place?

Agriculture labour

Belpara, Hooghly

India

When do you anticipate your project will take place?

From:2014-03-01 Until: 2016-06-30

Outline your project implementation schedule.

No.	Activity	Duration
1:	Spreading knowledge of good Health & Hygiene	once in two months
2:	Installation of sanitary Toilets	10 every month
3:	Install Tubewells	one every 3 months
4:	Soak Pits	50 each during Feb to June

SUSTAINABILITY

What community needs will your project address and how were these needs identified? Provide any relevant data or survey results

Belpara is a village under the Rotary Club sponsored RCC Dakshindihi. Rotarains have been visiting the area regularly since the RCCC's inception in 1995. The village has a population of approx 5000 and most of the village homes do NOT have sanitary facilities. People defecate in the open, spreading pollution leading water born diseases specially stomach ailments.

Grant Title - Water & Sanitation for Belpara Dist Hooghly, West Bengal

Status - Authorizations Required

District Number 3291 (Qualified)

Due to ever increasing requirement of water specially for agriculture, the level of under ground water has been steadily going down and ponds & wells go dry in summer, leading to acute shortage of water.
View : <http://www.youtube.com/watch?v=OoONNAYSKOU>

Detail how your project will address these community needs.

The project envisages - installation of 5 Tubewells. Each Tubewell to serve approx 300 people with save Drinking Water, 150 Sanitary Toilets to serve a house hold having approx 6-10 people to defecate hygienically and digging 100 Soak Pits of approx 18 - 21 feet each in ponds where rain water would be collected and be allowed to seep into the under ground dry sand layers to increase the UG Water level and thus ensure availability of water during dry season, specially for irrigation for agriculture towards increase of income.

How were members of the local community involved in planning the project? Does your project align with any current or ongoing local initiatives?

Rotarians have been organizing such projects very successfully in RCC villages viz Dakshindihi & Rampara where the villagers have been involved and Training Seminars have been regularly held on Health & Hygiene and improved Agricultural practices. The RCC run a school & vocational Training Center at Rampara and a Dairy Farm at Dakshindihi. Encouraging planting of fruit trees around their huts, which serve to improve environment, provide nutrition specially to children & income to the housewife.

Describe any training, community outreach, or educational programs, if applicable, and who will conduct them. How will recipients be selected?

Once in two months Rotary Club would arrange Training Workshops, put up Posters, distribute Pamphlets in Bengali language. Experts would address Workshops & educate the rural population on Health & Hygiene and ways of keeping a healthy life style at the village.

2. Monitor the project by asking for updates from Host Club.
3. Keep regular touch via email.
- 4 Publicize the project at Rotary events, through publications & media.

SUSTAINABILITY

Describe the role that members of the local community will play in implementing your project. What incentives (e.g., compensation, awards, certification, promotion) will you provide to encourage local participation?

Beneficiaries would -

- Attend Public meeting & Training Workshops
- Provided unskilled labor for the construction of toilets & Soak Pits
- Use the tube wells and toilets and learn to maintain them & keep proper hygienic conditions.
- Spread the word to the neighboring villages to encourage healthy living.
- Provide ponds for collection of rain water and install Soak Pits for recharge UG Water.

Identify any individuals in the local community who will be responsible for monitoring outcomes and ensuring continuity of services. How will you support these individuals to help them take on this leadership role?

Grant Title - Water & Sanitation for Belpara Dist Hooghly, West Bengal

Status - Authorizations Required

District Number 3291 (Qualified)

Members of the RCC and selected educated villagers would be responsible for monitoring outcomes & ensuring proper maintenance & use of the facilities. Rotarians would visit once in two months to supervise & assist the local educated villagers to take leadership roles.

BUDGET

Select the local currency for your budget and enter the current rate of exchange to 1 U.S. dollar. Obtain the current RI exchange rate from Rotary's website. If your country is not on the official RI exchange rates list, visit the Oanda or Bloomberg website to obtain the current rate.

Detail your proposed expenses by adding items to the budget. Note that the total budget must be equal to the total financing of your activity.

Local currency: **AED** Exchange rate to 1 USD: **62**

No.	Description	Supplier	Category	Local cost (AED)	Cost in USD
1:	5 Tubewells	Contractor	Equipment	150000	2419
2:	150 Sanitary Toilets	Contractor	Equipment	1650000	26613
3:	100 Soak Pits	Contractor	Equipment	1200000	19355
4:	Pamphlets & Posters	CDC Printers	Training	150000	2419
5:	Experts Honorarium	Rotary Club	Personnel	150000	2419
Total budget:				3300000	53225

SUSTAINABILITY

Describe the process for selecting these budget items. Do you plan to purchase any items from local vendors? Have you performed a competitive bidding process to select vendors? Do these budget items align with the local culture and technology standards?

Quotations called from contractors and selected on the bases of reasonable cost & past experience

How will the beneficiaries maintain these items? If applicable, confirm that spare or replacement parts are readily available and that the beneficiaries possess the skills to operate equipment.

Maintain -

Tubewells - RCC Members would encourage the collection of a monthly fee to maintain

Toilets - Beneficiaries

Soak Pits - Pond owners

All spares & replacement parts are readily available locally.

Beneficiaries & owners would be taught to use & maintain the above.

Who will own the items purchased with grant funds at the end of the project, including equipment, assets, and materials? Note that items cannot be owned by a Rotary club or Rotarian.

The Beneficiaries would own, maintain & use the Toilets, Tubewells & pond owners the Soak Pits.

Status - Authorizations Required

District Number 3291 (Qualified)

FINANCING

The Rotary Foundation funds global grants from the World Fund, and awards range from US\$15,000 to US\$200,000. The Foundation matches cash contributions at 50 percent and District Designated Fund (DDF) contributions at 100 percent. The Foundation will also match non-Rotarian contributions toward a grant, provided they do not come from a cooperating organization or a beneficiary.

To determine the World Fund match for your global grant, list all sources of funding, specifying contributions from cash, DDF, and other sources. Note that the total financing must be equal to the total budget of your activity.

After you have added all funding sources and the requested World Fund match, click "Save" to save your grant financing.

#	Funding Method	Organization	Amount (USD)
1	Cash from club	Central Calcutta	8150
2	District Designated Fund (DDF)	5790	10000
3	District Designated Fund (DDF)	3291	6000
4	Cash from club	Hurst-Eules-Bedford	6000

DDF contributions:	16000
Cash contributions:	14150
Other contributions:	0
Endowed/Term gift contributions:	0

World Fund match (maximum):	23075
World Fund match (requested):	23075

Total financing:	53225
Total budget:	53225

SUSTAINABILITY

Have you identified a local funding source to ensure long-term project outcomes? Will you introduce practices to help generate income for ongoing project funding?

The RCC would organize to collect funds from beneficiaries to maintain & keep in working order the tubewells & Soak pits while the beneficiaries themselves will maintain & keep in good use the toilets.

Authorization

Application Authorization

By submitting this global grant application, we agree to the following:

1. All information contained in this application is, to the best of our knowledge, true and accurate, and we intend to implement the activities as presented in this application.

Grant Title - Water & Sanitation for Belpara Dist Hooghly, West Bengal

Status - Authorizations Required

District Number 3291 (Qualified)

2. The club/district agrees to undertake these activities as a club/district.
3. We will ensure all cash contributions (as detailed in the grant financing) will be forwarded to The Rotary Foundation (TRF) or sent directly to the global grant bank account after Trustee approval of the grant.
4. Rotary International (RI) and TRF may use information contained in this application to promote the activities by various means such as The Rotarian, the RI international convention, RVM: The Rotarian Video Magazine, etc.
5. We agree to share information on best practices when asked, and TRF may provide our contact information to other Rotarians who may wish advice on implementing similar activities.
6. To the best of our knowledge and belief, except as disclosed herewith, neither we nor any person with whom we have or had a personal or business relationship are engaged, or intend to engage, in benefiting from TRF grant funds or have any interest that may represent a potential competing or conflicting interest. A conflict of interest is defined as a situation in which a Rotarian, in relationship to an outside organization, is in a position to influence the spending of TRF grant funds, or influence decisions in ways that could lead directly or indirectly to financial gain for the Rotarian, a business colleague, or his or her family, or give improper advantage to others to the detriment of TRF.
