M. Daryl McFarland, Rotary Club San Diego

Dear M. Mc Farland,

The Rotary Club of Verrettes is very happy to support the Literacy Project that the YMCA d'Haiti has submitted to the Rotary Club of San Diego.

My Club has reviewed the project and is very anxious to see it started. Since the drafting of the grant application is already done, we, as the host Rotary Club in Verrettes, Haiti, are willing to play our role to make sure that the project is managed according to the rules. We stand ready to review and approve it as well.

We will monitor the project as it progresses and will take, in partnership with the YMCA d'Haiti, the ownership of such. Unfortunately, the Rotary club of Verrettes does not have enough financial capacity to provide funds and contribute to the project, but we are willing to give in-kind participation.

Finally, since I was designated to be your contact person, please feel free to contact me with any questions.

Best regards,

Gary Marcelin, President

Past Assistant Governor North-Ouest Region, Haiti
