Dear Debra,

The Rotary Club of Savusavu would like to extend our invitation to you to travel to Savusavu to participate in the supply distribution of our Fiji Home Water Filter Project.

We welcome the opportunity to participate in this project with the Rotary Club of Point Loma, and regard your presence in Savusavu as being a key factor to the successful implementation of the water project.
Your attendance and help will be most appreciated.

We look forward to sharing with you in person the impact that the implementation of this project will have in the individual households in villages, schools and the local nursing station selected.

Sincerely,

Tania de Hoon
