# OPERATION TABLE

The **Plantech Motorised operation table** manufactured and developed, exclusively for the ophthalmic surgeon is very stable and versatile. Its ergonomic design ensures both surgeon and patient comfort.

The **Plantech OPTB-500** has a maximum height of 810 mm and minimum height of 610 mm ideal for standing or sitting working position.

Choice of head sections give easy access to the patient, whilst allowing maximum leg -room and space for equipment pedals.

The adjustable cushioned head-rest ensures patient comfort and restraint during operations.

Patient comfort is assured with deep antistatic poly-urethane cushions which are easy to clean and are wide enough to allow patients to lie with their arms by their sides without the need for additional armbands.

The adjustable wrist support provides comfort and stability while operating.

Trendelenberg (head low position) and reverse trendelenberg facility ensures safety during emergencies.

## Additional Accessories

- Patient Drape Stand
- I.V. Poles
- Surgical Instrument Tray
- Safety Belt
