Describe how the host and international sponsors have interacted with the scholar to date.  
Naumana Suleman's host counselor (Kim Schafer) checked in frequently, accompanied her to her many Rotary Club presentations, took her grocery shopping, and invited her to celebrate the holidays with her family. Naumana's Master's program was intensive, and school has to come first, as does creating working relationships in peacebuilding with classmates. Naumana returned to Pakistan to work, and to begin the capstone research project for her Masters program, over the Christmas holidays. Once Ms Suleman has completed her research, and her transition back to work and to home, she will contact the Rotary Club of Karachi and will debrief them on her experience, probably via Skype or telephone call. Naumana lives and works in Lahore.
