

OBJECTIVES

WELCOME TO THE GLOBAL GRANT APPLICATION

Your application has been assigned the reference number GG1416405 , which you can use for tracking and when communicating with The Rotary Foundation or colleagues.

PLANNED ACTIVITIES

In a few short sentences, tell us your objectives for this global grant.

Soke, a town located in the province of Aydin, Turkey, has a total population of 100,000 and 300,000 people with its surrounding villages. It has a large agricultural land and it is one of the biggest cotton producing area of Turkey.

There is one goverment hospital and there is a lot of young population. The hospital has 260 beds and it has 2,500 patients per day. In each month there is around 150 birth.

The hospital needs Birthing Beds but unfortunately there is no Birthing Bed. Patients ans caregivers need this as it delivers safety for a better birthing. Also it has additional back saving features like the no lift Stow and Go foot section and ergonomic push handles which gives patients more comfort.

So as Soke Rotary club we decided to maintain this with a matching grant project. The cost of the bed is 36,000 USD.

Who will benefit from this global grant? Provide the estimated number of direct beneficiaries.

Soke people will benifit from this grant. There is 300,000 people living there.

SUSTAINABILITY

Describe the process for selecting these budget items. Do you plan to purchase any items from local vendors? Have you performed a competitive bidding process to select vendors? Do these budget items align with the local culture and technology standards?

We have taken offers from different companies and selected the cheapest one with the same standards with the doctors in the Club and the hospital . It is a local company and all items align with the local culture and technology standards.

How will the beneficiaries maintain these items? If applicable, confirm that spare or replacement parts are readily available and that the beneficiaries possess the skills to operate equipment.

The Birthing Bed company will bring all items to the hospital and fix them and we will test them with the Doctors in the Hospital. All spare parts are available locally.

Who will own the items purchased with grant funds at the end of the project, including equipment, assets, and materials? Note that items cannot be owned by a Rotary club or Rotarian.

The Soke Government will own the items.

FINANCING

The Rotary Foundation funds global grants from the World Fund, and awards range from US\$15,000 to US\$200,000. The Foundation matches cash contributions at 50 percent and District Designated Fund (DDF) contributions at 100 percent. The Foundation will also match non-Rotarian contributions toward a grant, provided they do not come from a cooperating organization or a beneficiary.

To determine the World Fund match for your global grant, list all sources of funding, specifying contributions from cash, DDF, and other sources. Non Rotarian contributions with no match from TRF can be included in the grant financing if they are being used to purchase grant budget items. These contributions should not be sent to TRF. Note that the total financing must be equal to the total budget of your activity.

After you have added all funding sources and the requested World Fund match, click "Save" to save your grant financing.
