

PROJECT FINANCING

Explanation: Clearly list all financing in U.S. dollars (please use whole dollars as TRF does not match cents) noting which funds will be contributed in cash and which will be contributed from District Designated Funds (DDF). Use of DDF must be authorized by the district Rotary Foundation committee chair and the district governor. TRF matches US\$0.50 for every \$1 cash contribution and \$1 for every \$1 contribution from DDF. The primary host club or district must provide at least \$100 in either DDF or cash.

NOTE: No funds should be sent to TRF prior to official Trustee approval. Upon approval, a letter will be sent to the sponsors notifying them of approval and providing detailed instructions on how and where to submit their contributions.

HELPFUL HINT

One way to speed up the payment process for your Matching Grant is by financing your project solely with DDF. Submitting cash contributions to the Foundation for a Matching Grant can significantly slow down the payment process and the contributions will only receive a 50% match as opposed to a 100% match for DDF. Speak with your district leaders to see if there is a way to utilize DDF as opposed to cash contributions for your application.
