The Holdrege L2 for Kids board members thank the Rotary Club of Holdrege for the Grant of \$1,250.00. This allowed L2 for Kids to help Holdrege area families and their children purchase new school clothing before the start of the school year. We greatly appreciated the support and encouragement of President Scott McKelvey and Father Lux and other Rotary members also.

In August 2017, 33 Holdrege area families and their 64 children had the opportunity to choose and buy their own new school clothes @ \$4,511.18 from the Holdrege SHOPKO store. This was the first time for some of these children to select and buy their own new school clothes. The grant from the Rotary Club of Holdrege allowed 17 children to have that opportunity.

	13 children K-5 th Grades	\$878.27

Your investment in the lives of kids in the Holdrege area is such a blessing and a wise choice for the kids, their families, the town and the general economy. It's so important that kids feel good about themselves.
