

The following two items are representative of the type of equipment needed:

* \$3700 C02 Laser Cutter - <http://www.vevor.com/130w-co2-laser-engraver-machine-1400x900mm-usb-port.html>

* \$556 Water Chiller - https://www.amazon.com/dp/B0727P6C61/ref=sxr_pa_click_within_right_3

The grant request is for \$4,000. The exact equipment and vendor will be chosen at the time the grant funds are available. Reuseum Educational has additional funds, up to \$700, to cover price changes and any additional parts that might be needed.
