## Feature

1. Adjustable Speed and Power, Smooth and Precise Engraving and Cutting
2. USB Interface
3. Air Assist, Remove heat and combustible gases from the cutting surface.  
18W Air pump, flow can be 38L/Min.
4. Embedded Exhaust Fan, Easier install, Safer transport.  
40W exhaust fan, flow can be 5.27m<sup>3</sup>/Min.
5. Rotary Axis, Engrave any cylindrical object.
6. Cellular platform, Leave no chippings on working area.
7. Intuitive Control Panel, Set Speed, power and more controls directly from the laser.
8. Water Cooling and Protection System with a chiller.  
With jam-proof heat exchanger, water flow detection alarm, over temperature alarm.
9. Laser position.
10. Emergency Stop Button.
11. Larger Size, 600\*1000mm working area.
12. Lifting platform is electric control, 0-45cm.
13. Drag - and - chain transmission line
14. Laser focal length: 5CM
15. A limit switch let it can only work when the cover is closed.
16. Machine service life: 7200H at least for laser tube, 5-8 years for machine body.
17. From professional China CO2 Laser Engraving machine supplier.

## Technical Parameters

Laser power	130W
Laser type	Hermetic CO2 glass tube, the wavelength of 10.64 um
Power supply	AC220V(±10%) ,50Hz;AC110V(±10%),60Hz
Working area	1000 x 600mm
moving speed	0-30000mm/min
Cutting speed	0-3600mm/min
Positioning way	Red light positioning
Lift platform	Honeycomb
Lift range	0-300mm
Laser cooling way	Pure and circulating water cooling
Locating precision	<0.01mm
Min shaping character	Character: 2x2mm, Letter: 1x1mm
Operating temperature	5°C-35°C
Resolution ratio	≤1000dpi
Data transfer interface	USB2.0
Worktable	KT-G1060D-up&down table
System environment	WINDOWS XP/ WIN7/WIN8
Cooling way	Water Cooling and protection system
Graphic Format Supported	The Files which CorelDraw, can identify (BMP,JPEG,PLT,CDR,AI,)
Compatible software	CorelDraw/CorelLaser
Cutting thickness	0-400mm (depends on different materials)
Color separation	NO
Sloping engraving	NO
Cuts off the water supply the protection	Yes
Packing	Wooden crate
Package Dimension	205×111×105CM
Package Weight	70kg

\*\*\*means you have to use a spray called "thermark" to spray the surface of the material and then

you can mark on

## Industrial chillers CW-5000W

## FAQ:

Q: I am fresh man to the machine. Can I buy it?

A: Machine is always required to setup/install(NOT ready to use). You are suggested to buy only when knowledge base is qualified.

Q: I have received my machine but it is too difficult to setup. Can I return it?

A: Yes, return is accepted. Buyer need to pay return shipping charge and bear 25% of purchase value as restocking fee.

Q: Do you solve hardware&software issue?

A: The product was tested PASS before shipping. After delivery, we assist you to solve problem. Buyer is responsible for parts replacement. We disclaim computer compatible issue is covered by warranty.

Q: I received my machine but box was seriously damaged so machine was heavily damaged. What can I do?

A: If machine was received heavily damage, we will pay for return shipping cost. Please don't worry.

Q: I received my machine but I found tiny deformation on side panel. What can I do?

A: In this case, please check/test whether the machine works in order. If so, we send some gifts in small value. On the other hand, if machine doesn't work in order, buyer was asked to take a video and we send replacement parts. Buyer is responsible for parts replacement. Return is NOT accepted for such reason. We send some gifts in small value

Q: I receive my machine but it doesn't work in order for parts/accessories are broken. What can I do?

A: I will send parts/accessories for free. Buyer is responsible for parts replacement. Please don't worry. Return was NOT accepted. We send some gifts in small value

Q: I receive my machine but product appearance different to photo in listing (like panel, switch, pump, fan...) can I return it?

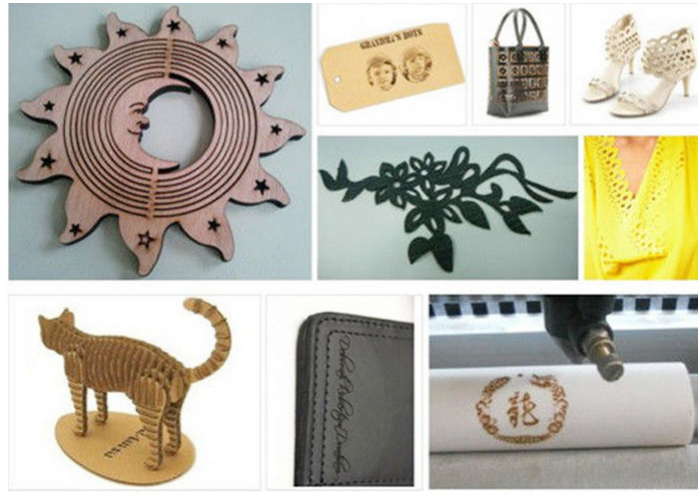

A: Manufacturer own the right to change/upgrade the product without notice. If product works in order, return was NOT accepted. We send some gifts in small value . If appearance was concerned, please kindly ask us to take photo before shipping.

Q: I receive my machine with a lot of scratches. It is used one. Can I return it?

A: The machine was economic solution to business. Appearance was not care too much. It is NOT used, just born with a lot of scratches. Return is NOT accepted. If you mind it, please consider it before bidding.
