1. District Grant # (check website for #) 1639
2. Name of District Grant: Dictionary  
Project \_\_\_\_\_
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. This project grant was to help defray the cost of dictionaries, which we purchase yearly for each third grade student in Kearney County Nebraska. The purchase of dictionaries cost less than our budget. We worked with the third grade teachers at Minden Public School and ordered some additional literary materials for them which brought the project up to budget.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: First, we learned there is grant money available to us! The process has been positive in that we have become more engaged with the District and have developed a working relationship with a number of the District officers.
5. How has your Club or community been impacted by this grant?

☐ Club membership has increased.  
☐ Our Club's awareness of the needs in our community has increased.  
☐ Participation in a District Grant has not changed our Club in any significant way  
☒ Others: I'm not sure except to relate that our club has gained ideas of possibilities for community projects and exposure to the District organization. \_\_\_\_\_
6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. I attended one of the grant workshops on Zoom earlier this Spring and was impressed with the work done to make these grants available to all the clubs across the district.
