

**District Grant Report**

Rotary Club: Rotary Club of Huntington Beach

Project Title: Sun View Elementary School

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
 This is a Literacy Project which provided needed materials for teachers and their students. Teachers were provided needed magnetic white boards to help provide immediate feedback from the students to check their understanding of the subjects. Rekenreks were provided to help the teachers teach math. Students were also provided books for Summer reading.

2. How many Rotarians participated in the project?  
 Approximately 35 Rotarians participated in the Project.

3. What did they do? Please give at least two examples.  
 The members "assembled" the book packages for delivery to the school. They then visited the school to read the books to the students. Finally, the books were handed out to the students as they left the classroom.

4. How many non-Rotarians benefited from this project?  
 It is hard to estimate the number of non-Rotarians as this project benefits the entire Sun View Community including the parents of the students.

5. What are the expected long-term community impacts of the project?  
 By providing materials for the school, a good relationship has been developed with the entire school community and Rotary.

6. If a cooperating organization was involved, what was its role?  
 Not Applicable
