- 2. Name of District Grant: District 5400 Scholarship
- 3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less.
 - Rotary District 5400 initiated an academic scholarship program that would grant \$1,000 per year for four years to a college freshman who meets the criteria established by the district scholarship committee. The grant was for \$1,000 to fund a college freshman student (starting college fall 2016) currently residing in Rotary District 5400 and planning to attend a community college or university located within the district or within the State of Idaho. In addition, we applied for another \$1,000 to continue the scholarship for the 2015-2016 recipient and the 2016-2017 recipient in their sophomore and junior years.
- 4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? There were three (3) beneficiaries:
 - a. MaKia Perez 2015-2016 recipient for her junior year (\$1,000)
 - b. Addie White 2016-2017 recipient for her sophomore year (\$1,000)
 - c. Drake Heubach 2017-2018 recipient for his freshman year (\$1,000)
- 5. How many Rotarians participated in the project? Briefly tell what did. The scholarship committee is comprised of 5 members and a chair. Other Rotarians were involved by spreading the work about the scholarship. The scholarship committee was consulted on the content of the scholarship application and also had access to all of the applicant's materials in order to rank them and agree on the scholarship recipient.
