Re: District grant P-1675 Rotary PHS Gold Scholarship

We have attached herewith the following items pertaining to the disbursement of the above referenced District Grant in the amount of \$4000.00:

Letter from the Arizona Community Foundation of Yavapai County stating that they will hold the funds pending the recipient of the scholarship, Madison Kaebel, making her selection of the school she will attend. At that time they will disburse the funds to the school Bursar's office.

We also have enclosed a copy of the cancelled check issued to the Arizona Community Foundation of Yavapai County.

Thank you for your assistance on this scholarship grant.
