

District Grant Report

Rotary Club: Placentia

Project Title: Dental Clinic

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
A dental clinic was held March 3, 2018 at Melrose Elementary School. There were 85 elementary school children given dental work from cleaning to filling cavities
- How many Rotarians participated in the project? We had 17 Placentia Rotarians participate
- What did they do? Please give at least two examples. We help set up dental stations and cooked food for the Dentists.
- How many non-Rotarians benefited from this project? The Children and Parents who received dental work and the school nurses and administrators who made all the appointments and who were on hand to help entertain the children.
- What are the expected long-term community impacts of the project? The dental work will help the children as students and a better education
- If a cooperating organization was involved, what was its role? Ayuda International. USC Dental Students and faculty performed all the dental procedures.
