Grant Information (to be completed by Primary Contact Person or other authorized club member)

2. Name of District Grant: School Supplies for Success
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. We held a fundraiser in October where we had participants bring school supplies as an entry fee. The club worked very hard getting it together. Giltner Trucking agreed to Match the supplies we earned, and if employees dressed up at their party they would double it and collect donations from them for us. With our February fundraiser we were able to earn enough funds to send an entire school on a field trip and purchase them a highly needed amplification system for their classroom. Rotary members will join them on their fieldtrip May 21st to help out.

4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? Harrison Elementary Students and Bickel Elementary Students approx. 180 students
5. How many Rotarians participated in the project? 12   Briefly tell what did. Helped with fundraisers, presented items to the children, and helped at the field trip
