

Rotary Axis Leadership Academy

1. Names of all clubs involved in the project with names of 2017-2018 club president.

Rim Country Rotary- Jack Pence President, Scott Jones President Elect

Payson Rotary Club

2. Project Objectives

a. Provide first Rotary Axis Leadership Academy for 20-30 high school students. Teach leadership and practical business skills. Provide opportunities for hands-on business idea development with peers and other business multigenerational partners.

b. Provide four opportunities to problem solve with increasing community involvement.

c. Network positive change to take learned skills of a small group into business and job opportunities that enhance quality of life in our community.

3. Non-financial participation by Rotarians

a. Involvement in leadership team building during Academy.

b. Development of four way test to enhance ethical business practice.

c. Hands on participation in four "after event" projects. Act as role models and mentors for students.

d. Communication with schools, local government, and community groups as outreach for the project.

4. How will the Public know?

Articles in local Payson roundup.

Radio show appearances "Riding the Rim with Randy"

Activity Presentation on local Rim Country Rotary website.
