Subject: District Grant(s) for RY (Rotary Year) 2017-18

Dear Tony,

Rotary District 5495 is pleased to send you a check for \$2,000 which covers the District Matching Grant for the following project(s):

Project Number	Project Name	District Grant	Club Participation	Total Budget
P-1753	Dictionaries for 3 <sup>rd</sup> Graders	\$2,000	\$4,709	\$6,709

Please review the above budget numbers. It is important that you spend the amount in the budget. If the actual expenditures are less, the club may be required to refund the District Grant portion of the shortfall so it can be refunded to RI (Rotary International). If your club has multiple projects, please note that you may not move funding from one project to another.

All project spending must be documented with receipts, cancelled checks, or other documentation to show how every dollar was spent. Please use the reporting form that will be posted on the "Documents" page at [www.matchinggrants.org](http://www.matchinggrants.org). We will need to present the documentation to the District Audit Committee. The District guidelines require that reporting be submitted by April 30, 2018. Please let us know if the project extends beyond that date and other arrangements are needed. Also, the District cannot apply for next RY grants until all the documentation and refunds are received, so please keep good records. The documentation should be uploaded to the [www.matchinggrants.org](http://www.matchinggrants.org) website in the "Documents" page. As always pictures post on the website are most appreciated.

All of us at the District 5495 Foundation Committee are very excited to work with you on these important projects. Please be sure to call any of us if we can be of any assistance.

Best wishes for a successful project.

Very truly yours,

  
Fred E. Goldman
