Rotary Club: Kyrene Rotary Club

Project Title: The Centers for Habilitation (TCH) Landscaping

**Project Description**

1. Briefly describe the project. What was done (in 100 words or less)?  
A water retention basin was being redone for outdoor activities at TCH. Following the RI theme, the Kyrene Rotary Club paid for \$1000 worth of trees and shrubs planted in the restoration. We also participated in the dedication.

When (dates) and where (city, state and country) did project activities take place?

4 person bicycle assembly 9/9/17, Dedication 9/25/17, - Tempe Az USA

Who were the beneficiaries? TCH members with physical and developmental disabilities

2. How many Rotarians participated in the project? 6

3. What did they do? Please give at least two examples.

Assembled a surrey (4-person bicycle) used for rides at the ribbon cutting dedication and later resident use.  
Attended the dedication representing Rotary.

4. How many non-Rotarians benefited from this project? 50+

5. What are the expected long-term community impacts of the project?

TCH members have increased outdoor recreational opportunities.  
More trees and shrubs for the community

6. If a cooperating organization was involved, what was its role?

TCH coordinated the project among several community groups including the Diamondbacks

<p>ProQual Landscaping is to update and enhance the designated retention area at TCH. The scope of work included in this bid is to match the landscape irrigation and planting design provided, installing the irrigation, turf, curbing, plants, and granite only. If there are differences in sizes of plants or any other measure, the values given below are to supersede those provided in the plans given. Proposed irrigation is to tie into existing mainline and controller installing all new proposed items from valves out to turf, trees and shrubs. Turf is to be installed (green sections) with new sod and a concrete curbing border. New granite is to be installed in all planting areas (yellow sections) at a top dress depth of 2". Our goal is to enhance the aesthetic appeal of the area to compliment the proposed renovations for TCH.</p>
