Grant Information (to be completed by District Grant contact)

1. District Grant # *P1766*
2. Name of District Grant: *Project Amigo*
3. Briefly describe the grant and list any changes that might have occurred (100 words or less)

Project Amigo is transforming lives through education in Colima, Mexico. It targets youth from Kindergarten to the University level. The Rotary Club of Fallbrook addressed the needs of a 10th grader named Mariana Torres Cruz. By supporting Mariana with a \$600 scholarship we helped provide her with a school uniform, bus transportation, registration fees, books and school supplies. She also participated in Project Amigo's Homework Club which encourages setting career goals and planning for the future. We were also able to purchase a well-equipped laptop at a cost of \$500.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded project.

It is always easier to fund a project when there is contact with the person or place. We had several Rotarians who were so impressed by a speaker from Project Amigo that they travelled there to help in person. That personal attention gave us impetus to address the needs of a middle school student by providing this scholarship.

5. How has your Club or community been impacted by this grant?

Research overwhelming shows that young people who graduate high school enjoy better outcomes in all areas of their lives. They are better able to make choices that positively affect themselves, their families and their communities. The attention to education is like a ripple in a pond – it impacts everyone near and far.
