Rotary Club Aurora Club of Aurora District Grant # P-1911

Project Title Lyle E Oncken Scholarship

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
We contributed \$500 to the scholarship fund established in September 1995, in the name of past Rotarian Lyle E Oncken, long time secretary of our Club. The contribution funds a scholarship that awards \$1500 per year to a student meeting the need and area of study requirements of the scholarship. A new recipient is chosen every four years. See attached.
2. How many Rotarians participated in the project? Our Board of Directors participates in this project each year.
(8)
3. What did they do? Please give at least 2 examples. The Board of Directors reviews our grant applications and discusses our commitment to education each year. We review our scholarships that are administered by the Community Foundation of the Fox River Valley (3). We decide what areas in education that we want to emphasize. 2-3 board members meet with the Foundation to review our criteria and what funds will be paid out. At that point our Board votes to apply for the matching grant dollars and insert into our budget.
4. How many non-Rotarians benefitted from this project? 1 this year
5. What are the expected long-term community impacts of the project? Our Rotary Club seeks to be known as supporting scholarship in our local community. We are very visible in the community through our involvement with the Community Foundation of the Fox River Valley Through them we look to fund scholarships that meet the student's financial needs but as important we fund areas of education that reflect the "Service Above Self" motto of Rotary. This needs-based scholarship requires the student to study in the social studies area. The student will report to us as to their progress. This information is shared with our Club.
6. If a cooperating organization was involved, what was its role?
The Community Foundation of the Fox River Valley manages our funds and interviews and chooses a qualified candidate (independent of our Club).
7. How did you share the news of your project?
We report to our Club the awarding of the scholarship. We also get publicity through the Community Foundation of the Fox River Valley through their media.
