1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

During the 2017-18 Rotary year we went on a quarterly basis to provide a dinner for the female clients and their children at a local domestic violence counseling facility. In addition we provided funds to purchase toiletries, personal items and groceries.

2. How many Rotarians participated in the project? 30

Rotarians prepared food, served meals and secured and provided gift cards. The first 2 meals were purchased food and the last 2 were prepared by Rotarians.

4. How many non-Rotarians benefitted from this project? 150

5. What are the expected long-term community impacts of the project?

Supporting single parent families as they struggle to overcome domestic violence will provide them with the strength and dignity to continue on and raise healthy children

6. If a cooperating organization was involved, what was its role?

We worked in cooperation with Sarah's Inn, the domestic violence center.

7. How did you share the news of your project?

We present it in our newsletter but due to the sensitive nature of the clients and their families, the danger of discovery and contact by the violent partner and the support and counseling that Sarah's Inn provides, they request that we keep publicity to a minimum.
