Dear Mr. Hurt,

Over 20,000 children in our state are trapped in the nightmare of human trafficking. Information from Deliver Fund, Loyola University Modern Slavery Research Project, Penn State University, and Covenant House International offers heart wrenching statistics which state that as many as 850,000 men, women and children internationally are forced into slave labor and sexual slavery.

The Sheriff's Office of Tarrant County wishes to attack this moral scourge. I have listed below the following equipment, which will enhance our ability to pursue and arrest human traffickers.

|---|---------|
| 1. A Mac Book computer | \$3,000 |
| 2. Two (2) Traffic Jam licensed software packages | 4,000 |

A grant from Rotary International will enable our detectives to share information with other departments, both state and nationwide. This project truly and completely answers "Rotary's 4-way Test" with YES!

Thank you for your time and consideration in this matter.

At Your Service,

BILL E. WAYBOURN
