Customer May 6 2018 10:04PM:
I would like these engraved with BUDDY BENCH centered on the middle slat of the back.in the respective leg color (yellow bench has blue resin embedded engraving...). I have 1000.00 to spend, can this be done with shipping and engraving since these will go on school grounds and I am with a Rotary Club. Prices have increased since I created my budget. I previously purchased 17 benches and got a discount for quantity I guess, but I am a loyal repeat customer :-)
