Hi, Fred! Nancy wants to use some of the DDF set aside for the District peace project for the Rocky Point service project. Please fill in the information on MatchGrants.org from the information Nancy has provided in the attachment. In the meantime, per Nancy's instruction below, we need to get a check to Nancy for \$500. Since our district requires two signatures on a check, I can meet you somewhere and sign the check. Just let me know when and where!
