Total: 

\$2,872.00
------------

**Terms of Agreement:** Please read and understand all items listed below: All terms must be complied with before any fabrication work can begin.

- A. Unless stated otherwise, price does not include sink, sink strainer, plumbing disconnect, removal of existing countertops or reconnection of plumbing fixtures. Disconnection or reconnection of any electrical appliances is not included in removal of existing countertops.
- B. Distinctive Countertops and Cabinetry does NOT save sink or cook-top cut outs. These items are discarded at time of fabrication.
- C. Distinctive Countertops and Cabinetry reserves FULL statutory Lien Rights until balance has been paid in FULL; see Consent of Owner Statement below. Lien Release will only be issued upon request. If there any questions or concerns, please inquire and we will be happy to explain in full.

**Customer Obligations:**

- 1. Unless otherwise indicated, a 50% deposit is required upon acceptance of the Estimate to schedule and secure material. Distinctive Countertops and Cabinetry shall not be obligated to commence any work until the Estimate is accepted, signed and receipt of payment. The remaining balance is due in FULL on the date of installation or delivery.
- 2. Sinks, faucets, appliances and/or cook tops must be present at the job site prior to template request; failure to provide these items will delay your installation. Any field alterations (late faucets or grommets that require field drilling) will be billed with a price of \$125.00 each.

**Standard Fabrication Features.... Backsplash top edge will have an 1/8" chamfer, All sinks mounted to natural stone or quartz will have a 1/8" radius on the top edge and inside corners will be 1", All outside corners will have a minimum radius of 3/4", all inside corners will have a minimum radius of 2.25". Custom Fabrication Features are available upon request, please consult your salesperson.**

**Included in quote...**

**All labor and material is included for your project unless otherwise noted.**

**Quotes are good for 30 days unless otherwise noted. All final pricing will be based on final measurements at the digital template. You will be notified if there is a change prior to your project moving forward to the programming phase.**

A 3% processing fee will be added to all credit card transactions.
