Project Title:

Project Start Date:  Estimated Completion Date:

**Briefly describe the project. What has been done and what still needs to be completed?**  
**(Please add an attachment if necessary)**

Bozeman City Park Benches

We have met with the City's park department and they have recommended a bench style they prefer. They are still determining locations they would like them installed at. We will be installing 2 at the new Glen Lake Rotary Park. We will be ordering the benches this month as we didn't want to order them too soon and have to store them over the winter. We plan to install them this summer.

**Give examples of how Rotarians have directly participated in this project:**  
**(Please add an attachment if necessary)**

Met with the City's park department to determine bench style and installation locations.
