Dear Mr. Phelps,

On behalf of the Jesse White Foundation, thank you for your donation of \$6,722 to this year's "Off to College" Trunk Party.

Because of people like you, we will be able to provide over 500 students the necessities to start their college career off successfully. The individuals who receive trunks have a bright future ahead of them and we are proud to provide them with some of the tools to assist with that. One day, these individuals will join the workplace and be able to give back to their communities. Therefore, we need to do all we can to help them start off on the right path, to begin that journey.

The Jesse White Foundation strongly believes in the importance of community growth and sustainability through our youth by specifically investing in a well-rounded educational and cultural experience. Through focused energy in educational tutoring, athletics and scholarship resources, we provide young people with a place to become physically fit and mentally sound.

Thank you again for your friendship, support and generous donation.

Sincerely,

Jesse White
