

District Grant Report

Rotary Club: Lemont /Homer Glen
Project Title: Lemont History Preservation

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? The project included purchasing and implementing a software program to preserve the historical archives, photographs and documents of the community's local museum. Rotarians assisted in scanning and logging in information into the system's database. Rotarians worked in shifts in the months of March and April to assist the museum staff in implementing. The Lemont Historical Museum now enjoys a safe and secure electronic back up system of the materials that can be easily searched and accessed by community visitors.

2. How many Rotarians participated in the project? 8

3. What did they do? Please give at least two examples.

- One individual was in charge of administration support of the program. This included meeting with museum staff in designing processes and scheduling volunteers.
- Others provided service hours by assisting museum staff in scanning and logging information into the database.

4. How many non-Rotarians benefited from this project? The Lemont Community and museum visitors.

5. What are the expected long-term community impacts of the project? The museum finally has electronic database to preserve the historical archives of the community.

6. If a cooperating organization was involved, what was its role? Museum staff was coordinating materials to be archived.
