Project Name/Title: Stop Hunger Now

Project Leader Name: Tracey L. Curtis

Project Leader Email: Tracey.Curtis@orangeplazarotary.org

Project Leader Phone: 714-553-1416

Brief Project Description:

Orange Plaza Rotary will work in partnership with the "Stop the Hunger" foundation to package approximately 10,340 meals containing nutritious, dehydrated meals of rice, soy, vegetables, flavorings and 21 essential vitamins and minerals. The meals are designed to meet the daily needs of children suffering from severe malnourishment. These meals are then easily transported to crisis-burdened areas or supplied to school feeding programs around the world. The meals cost only .29 per meal to create and will contain six meals per package.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

October 2018 to April 2019

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

The meals will be packaged locally but may be shipped by Stop Hunger Now to international destinations.

3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts must balance. If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

Club(s) Contribution	District DDF	Total
\$2,000.00	\$ 1,000.00	\$3,000.00

5. Participating Clubs:

(If other clubs will be participating in this project, list each club and its contribution.)

El Modena Interact	\$0
El Modena CTP	\$0
	\$

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

None.

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

30 to 40 volunteers needed to package the meals include Orange Plaza Rotarians, their friends and family, prospective members and the members of El Modena High School Interact Club.

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

In addition to organizing the actual packaging event, club members will promote the event on social media and in their social circles. All members will attend the packaging event and personally participate in the packaging alongside our Interactors.

9. Who are the Beneficiaries:

(Who are you serving and how?)

Every day, 25,000 people die from hunger and hunger related causes. Malnourishment weakens the immune system and makes individuals unable to recover from even the most common illnesses. These 10,000+ meals will alleviate hunger around the world.
