Project Number: **P-2414**

Project Title: **HEB Reads Summer Challenge**

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The 2019 HEB Reads! Summer Reading Challenge Kickoff, was held at Pennington Field, Bedford, Texas, on Saturday, May 4, 2019. The Kickoff was a completely free community festival with an attendance of over 4,000 students and parents. Schools, libraries, community organizations, and local businesses came together to celebrate and promote reading. Every one of the over 4,000 people who attend the Kickoff received a free book, promoting the importance of reading at the family level, receiving information on educational opportunities in the community, and enjoyed a free day of entertainment with the family.

2. How many Rotarians participated in the project? 7

3. What did they do? Please give at least two examples.

Rotarians participated by assisting in event set-up, greeting guests as they arrived, assisting in all aspects of helping to run the event. Rotarian and School District Superintendent, Steve Chapman handled the event kickoff greetings.

4. How many Noon-Rotarians participated in the project? 75

5. What are the expected long-term community impacts of the project?

Our schools and teachers benefit because summer reading combats "summer slide" and teachers don't have to spend as much time in the fall re-teaching skills lost over the summer. Long-term, the community experiences the intangible benefit of kids and families who see the value of reading and education, and who will eventually become a more educated workforce and more productive members of the community.

6. If a cooperating organization was involved, what was its role?

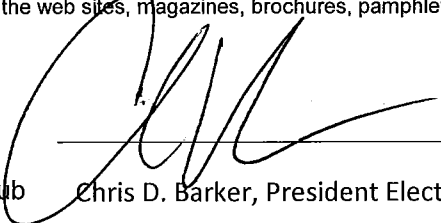

HEB Reads! is a collaboration between the Hurst-Eules-Bedford ISD (HEB ISD) and the cities of Hurst, Eules and Bedford, Texas. These agencies put on the event.
