Dear Sir/Madam,

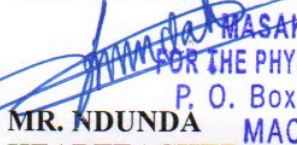

RE: APPRECIATION

The entire community of Masaku School for the physically appreciate your kind gesture for renovating our dining hall. The face lift given to the hall i.e. the tiling, the lightning, painting and the improvement of the doors has given our dinning hall a totally new look.

The classes now look brighter after the installation of the lighting sheets. The learners are really really happy as they take their meals in a neater environment and learning in brighter classrooms.

We sincerely thank you and may the Almighty God bless you as you continue supporting the needy.

Yours sincerely
