Dear Rotary Club,

Thank you for your grant of \$2,708 and your District 5400 matching grant of \$3,292 to the **Donnelly Food Pantry**. We've been providing much needed food to 65-70 families each week. Your very generous donation goes a long way in helping us continue our work in supporting our community. It is much appreciated. I believe that our Food Pantry manager, Allison Hatzenbuhler, will be providing you with any requested documentation on the food purchases made from this grant.

At the end of the year, you will receive a statement for tax purposes that lists your 2021 contributions to the Donnelly Food Pantry. But again, I thank you for your support.

Sincerely,

Beverly L Hellman
