Rotary Club,

We here at Goshen care community are so grateful for IN2L technology. Not only has it enhanced the lives of our residents, but it has also provided. Meaningful ways for our team daily. It brings our staff joy to know that we Are providing engaging, meaningful, and creative activities for our residents. Having access to a variety of activities for both group and individual settings. The choices of music, videos, and games have exceeded residents' satisfaction. It has helped with the Quality of Life of our residents. We use the IN2L daily and we wouldn't know what do without it.

Sincerely,

Amy Johnson
