Bruce Young, Dist. Grants Subcommittee Chair

To Whom It May Concern:

The City of Luverne in cooperation with our city works department has been working collaboratively with the Luverne Rotary Club on the Rotary Park development on the south end of our community. Our city works crew assists with watering, mowing and other park maintenance. The city has helped add some structures to the featured park for shelter and recreation. This relationship is annual and has added value to our community and the work of our local Rotary Club and city government.
