Do not send this form directly to Rotary International.

Rotary Club: Rotary Club of Arlington

Project Number: P-3630

Project Title: Securing a Sustainable Life

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Rotary Club of Arlington created a series of 12 videos covering various life skills for the clients of the Arlington Life Shelter. Each video interview took place via Zoom and the participants, all local Rotary Club members and community leaders, were interviewed by Derrick Kinney on their topic of choice, based on the list of important life skills the Life Shelter identified as important. The program was designed in close consultation with the Arlington Life Shelter to provide a Covid-friendly method of teaching and provide a lasting and meaningful system of training to help the 75 clients move forward in their lives. To foster additional learning, there is a quiz clients can take after watching each video. After completing the quiz, they are rewarded a certificate of completion. Upon completing all 12 videos, the clients receive a gift card that they can use for clothing, transportation or food.

Additionally, we have provided resources in the form of video links and articles that provide complementary information for each video topic in case the clients would like additional learning.

2. How many Rotarians participated in the project? 12

3. What did they do? Please give at least two examples.

Each Rotarian who volunteered was interviewed via Zoom on their topic of expertise for around 30 minutes and offered additional resources for the residents. A Rotary member conducted each interview. A Rotary member also coordinated the media relations effort to help raise awareness for the Rotary Club of Arlington in conjunction with Rotary International. Rotarians also secured the additional items which were identified by the shelter as needed for the program.

4. How many Non-Rotarians participated in the project? 5

5. What are the expected long-term community impacts of the project?

These videos are designed to give the Arlington Life Shelter residents practical tools and actionable steps for different life skills such as budgeting and interviewing. This program will provide a lasting and definite impact to the clients as they will use this information to help rebuild their lives. The intent of this "Life Skills Training Video Library" is that the knowledge can be referenced often. As opposed to a one-time training, this program will last well into the future and stand as a confirmation of the Rotary Club of Arlington's commitment to our local community.

6. If a cooperating organization was involved, what was its role?

We worked closely with the Arlington Life Shelter, who has approved each video, quiz, and certificate. Both the previous Interim Director and current Director were involved step-by-step in helping us design the program that it would provide both immediate and lasting impact to their clients.

Additional Note: The project was run with both a tight budget and willing volunteers. That contributed to completing the labor part of this important project for a total of \$1,005. With the remainder of the funds, our club worked closely with the Arlington Life Shelter to determine additional needs to help support this project and provide ongoing education initiatives. We purchased 3 iPads, iPad stands with locks, Meeting OWL Pro Camera, speakers, and office supplies to help with printing the video quizzes and completion certificates. As the title of the project states, our mission is to aid the clients of Arlington Life Shelter in "Securing a Sustainable Life." Based on the feedback of the Executive Director, our local Mayor, and George (last name withheld), a client of the shelter, we have accomplished that.

See attached:

Press Release sent to local media

Quote from John Liddle, KRLD Radio News Anchor said after our interview: "A great program. I know it will make a great impact!"

Fort Worth Star-Telegram newspaper also covered the presentation, article attached.

Financial Report (District must retain receipts of all expenditures)-The two yellow cells must be the same.

7. Income	Amount
1. District Grant funds received from the District	\$ 4,225.00

Volunteers create life skills videos for Arlington shelter clients

BY KAILEY BROUSSARD
 kbroussard@star-telegram.com

ARLINGTON

An Arlington shelter is trying something different to provide resources and education for people looking for jobs, cars and housing after experiencing homelessness.

Arlington Life Shelter launched a 12-video life skills series Thursday afternoon. The program, developed by Arlington Rotary Club members, comprises half-hour interviews with experts on topics including budgeting, coping with loss and interviewing for jobs.

"This is all about moving them forward," said Derrick Kinney, the Rotarian who produced the videos.

The shelter at 325 W. Division St., which pro-

THE 12 HALF-HOUR VIDEOS ARE INTERVIEWS WITH EXPERTS ON SUBJECTS THAT RANGE FROM TIPS FOR BUYING A CAR TO INTERVIEWING FOR JOBS. TO COPING WITH LOSS.

vides food, shelter and upward mobility planning to more than 75 people, usually hosts life skills classes or brings in speakers. However, Arlington Life Shelter has not eased COVID restrictions that would clear the path for

more in-person courses. People who complete all of the trainings and quizzes after each video will receive gift cards for transportation, groceries and hot meals.

"A lot of these clients are just on that cusp of rebuilding their lives. They just need basic things," Kinney said. Sometimes they need money to buy a sack of lunch to go to their jobs."

George, a shelter client, said programs like the virtual classes launched Thursday may provide specific advice that people like him can apply when they leave the shelter. After staying at Arlington Life for five weeks, George is moving into an apartment and said he has benefited from guidance on budgeting.

"I'm very thankful for

KAILEY BROUSSARD kbroussard@star-telegram.com

Rotarian Chris McMurrugh, standing, and Arlington Life Shelter client George watch McMurrugh's video interview on tips for purchasing a vehicle. The video is one of 12 life skills classes Arlington Rotary Club produced for the shelter's clients in place of in-person events.

what they've done today," George said.

Stephanie Melchert, the shelter's executive director, said the series will come in handy both during and after the pandemic.

"This is going to be a gift that's going to be giving to all of our clients for years down the road," Melchert said. Arlington Life Shelter has housed more than 25,000 adults and children experiencing homelessness over the past three decades. The shelter, which expanded its capacity last summer, offers myriad services to help remove people's barriers to employment.
