Thank you!

Dear Keithanne,

Thank you for your generous gift of \$2500 in support of GallantFew's mission and vision. Your trust means the world to us and to the Veterans we assist with unemployment, homelessness and suicide prevention.

Transition can be rough—particularly when trying to do it alone. Thanks to you, GallantFew has grown to have volunteers and services around the world. You enable us to respond and pivot quickly to diagnose needs, verify the needs and quickly provide Veterans help. Unique to GallantFew, Veterans joining our network take an Azimuth Check (www.azimuthcheck.org), providing a benchmark for functional fitness in emotional, professional, social, spiritual and physical areas of life. We then identify areas for intentional improvement.

There is still much work to be done. Isolation is the greatest threat to a Veteran's successful transition from military service to civilian life. Thousands of transitioning Veterans are looking for support and a connection to other Veterans that is made possible through your continued generosity. There are many opportunities to get involved with GallantFew. VetXpo (www.vetxpo.com) and Run Ranger Run (www.runrangerrun.com) are fun, inclusive and educational events that help us build the network and share lessons learned.

Since GallantFew's founding in 2010 your support has provided Veterans with 8,000 services (and counting). GallantFew was founded on the benefit of sharing insight, a guide's hindsight is your foresight. It is only fitting that our 2020 theme be: "Our Vision is 2020," as our guides share their insight with Veterans still having difficulty transitioning to civilian life. On behalf of our GallantFew team and the Veterans we serve, I thank you again for your support and hope you will continue to join us in our efforts to help thousands of Veterans.

With Appreciation,

Karl Monger
