RE: Rotary Club Grant

Dear Jared,

I would like to thank the Rotary Club of Abilene for the generous grant of \$1224.00 given on February 10, 2021 in support of our CarePack for Kids program. We are so blessed to have this program and to see it serve over 1500 kids each week of the school year. Without the many supporters like the Rotary Club we would not be able to serve all of Abilene ISD and 9 other school districts around Abilene.

Once again, Thank You!!

Many Blessings,

Terry Davis
