Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Our Club created bags for DCS to bring when removing kids from dangerous situations, this paid for diapers, wipes, clean new pajamas, food gift cards.

When (dates) and where (city, state and country) did project activities take place?
October 21, 2021, Phoenix Arizona, USA

Who were the beneficiaries? OCJ Kids and Department of Childrens Safety (DCS)

2. How many Rotarians participated in the project? 14

3. What did they do? Please give at least two examples. Filled bags with pajamas, diapers, wipes, in an assembly line, some folded clothes, and organized sizes so each bag had a variety of sizes

4. How many non-Rotarians benefited from this project? This project will benefit 115 amount of kids that are being removed from homes.

5. What are the expected long-term community impacts of the project? This project helps being dignity to children being removed from homes, giving them clean clothes. This is usually a childs worst day and making sure they are treated with respect and given something clean

6. If a cooperating organization was involved, what was its role? Ameresco partnered with us and donated \$10,000 along side of our grant. They came out and helped create bags with us.
