Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Dictionaries were distributed to all 3rd graders in 24 elementary schools within the Peoria Unified School District

When (dates) and where (city, state and country) did project activities take place?
Sept 2021-December 2021; Peoria, AZ USA

Who were the beneficiaries? All 3rd graders who were recipients of a dictionary

2. How many Rotarians participated in the project? Approx 30
3. What did they do? Please give at least two examples. Prior to distribution of the dictionaries, the Rotary 4-Way Test signature stickers were applied to the inside cover of each book. Due to ongoing Covid-19 restrictions this year, not all schools would allow delivery directly to the classroom. However all dictionaries were delivered to each assigned school (24), whether in person to the classroom, if allowed, or to the front office for distribution via the school staff. Rotarians coordinated with each assigned school administration office.
4. How many non-Rotarians benefited from this project? 1700 +
5. What are the expected long-term community impacts of the project? This is a long term, annual, project in conjunction with the Rotary Clubs of Peoria North and Peoria, along with the Peoria Unified School District. Multiple schools where dictionaries were delivered are listed as Title 1 schools, with students that have limited access to any type of reading material, literature etc.

6. If a cooperating organization was involved, what was its role? Peoria Unified School District – the PUSD has continued to fully support this project. The PUSD provided the accurate school count, and assisted in facilitating access to the schools, coordination of dictionary distribution.
