Project Title 2022 Scholarship Winners_____

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
We initially were going to award three \$1000. Scholarships but found it necessary to award four scholarships due to the excellent applicants we had.

2. How many Rotarians participated in the project? We had 7 Rotarians reading the scholarship applications and four Rotarians doing the actual interviews.

3. What did they do? Please give at least 2 examples. The Rotarians involved are responsible for reading and ranking the applications. We then conduct interviews with all the applicants and decide who the top three or in this case four are and vote to determine who will receive the scholarships.

4. How many non-Rotarians benefitted from this project? We feel that the four recipients as well as their families and the school are all beneficiaries of the project.

5. What are the expected long-term community impacts of the project? We do these scholarships every year. The enthusiasm it promotes to the students to do their best and excel at community involvement during the year is at the heart of this project. The most important factor in who gets the scholarships is community service.

6. If a cooperating organization was involved, what was its role? The high schools in our area are wonderful partners with us in making this happen.

7. How did you share the news of your project? We use our club website as well as Facebook to celebrate the student award winners.
