To the Members of the Whittier Sunrise Rotary Club

On behalf of the Whittier Regional Symphony, I would like to thank you for your generous and continuous support of our Children's concert and programs throughout the years. We have been able to put on many spectacular concerts and programs thanks to your generosity. We continue to appreciate your support.

While unfortunately we were unable to have a Children's concert this year due to the pandemic, we are planning to have our children's concert in February or March of 2022. We are more than thrilled to be able to begin the planning of this concert as we feel it is such an important piece of what we do for the youth of our community. We are excited to get back to performing for our young ones to help inspire them and show the richness of culture that Whittier and its surrounding areas have to offer. We hope that we can count on your support so we can continue to inspire the youth of our community through music.

We thank you again for your generosity throughout the years as we would not be where we are today without you. We are forever grateful for your support.

Sincerely,

Michael Salas
