

District Grant Report

Rotary Club: Garden Grove, CA

Project Title: Operation HOPE 2021-22

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The purpose of the grant project was to stock the emergency food and supply pantries at the H.O.P.E. facility in Garden Grove, California. Provisions included food, milk, hygiene items, shelving and related storage supplies. The project benefitted abandoned and abused women and their children who were in need of assistance. The following related activities have been completed:

- From November 15, 2021 through February 3, 2022 needed supplies were purchased from Costco and Vons to stock the emergency food and supply pantries. Supplies included: a prep table, chrome carts, storage boxes, food, milk, shampoo, batteries and other related supplies. (See attached receipts)

2. How many Rotarians participated in the project?

Four Rotarians participated in the project: Joe Hammer, AG Anvari, Jim Demaio and Maria Stipe

3. What did they do? Please give at least two examples.

AG Anvari submitted the grant application and worked with Jim Demaio to interface with HOPE and determine the project needs. They also shopped for related items. Joe Hammer and Maria helped to stock pantry items, took photos and completed related grant project documentation.

4. How many non-Rotarians benefited from this project?

- The emergency food and supply pantries serve over 8,000 individuals each year. The shelving, chrome carts, and storage boxes will be useful for many years.
- The food and hygiene items will assist at least 50 individuals and families.

5. What are the expected long-term community impacts of the project?

Families who are in need were provided with food and hygiene supplies, allowing them to reduce stress and increase stability within their households. The message of Rotary service was communicated within the community.

6. If a cooperating organization was involved, what was its role?
