Re: Rotary Club Grant

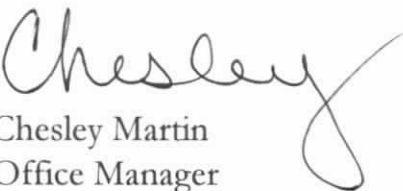

Dear Jared and the Rotary Club of Abilene,

Thank you so much for your generous grant of \$1396.00 given to the Junior League of Abilene in November of 2021 in support of our SudsBuds Project.

Through this project, the Junior League is able to purchase, assemble, and distribute over 11,000 hygiene packets for school children at Title 1 schools in Abilene ISD. These items are necessary for the success of children in school, as we believe children who have their basic hygiene needs met, are able to be more successful in the classroom. These items are not covered by WIC or Food Stamps, so many families are unable to purchase them. The total cost of this project is approximately \$12,000.00 annually.

Thank you again for your interest in our project and for your generous donation.

Sincerely,

  
Chesley Martin  
Office Manager
