Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Items will be purchase to be compiled to create 40 packs for children fighting cancer.

   The club members will assist Amanda Hope in compiling and distributing these packs.

   The packs will consist of:

   1. backpacks to carry all the items in

   2. Comfycozy's apparel: a shirt with zippers, snaps, pockets and openings to access the chemotherapy ports.

   3. Mindfulness kits: puzzle and game package to help the children pass the time when receiving treatment.

   The apparel is colorful tie-dyed adaptive apparel that allows the child to remain clothed while receiving treatment. This aids in their privacy, changes perceptions and behaviors towards the children while battling their cancers.

   When (dates) and where (city, state and country) did project activities take place?
   Met with Amanda's Hope representative on September 26, 2022 and presented donation to the organization. The event took place in Cave Creek Arizona.

   Who were the beneficiaries? Clients of Amanda's Hope, children battling cancer.

2. How many Rotarians participated in the project? Six club Rotarians were involved in the project.
3. What did they do? Please give at least two examples. Club members solicited the grants, helped the recipient thru the process, processed the donation, and helped receive the ordered apparel.

4. How many non-Rotarians benefited from this project? The Volunteers of Amanda's Hope assembled and distributed the backpacks. These backpacks were distributed on an as need basis.

5. What are the expected long-term community impacts of the project? To help the emotional and physical situation of the children battling cancer. The long term desired affect is to increase the survivability rate and the speed of the recovery.

6. If a cooperating organization was involved, what was its role? N/A
