### Details

**Condition** Used - Good

A compact play structure designed for children aged 2 to 5 years, accommodating 8 to 13 children simultaneously. It features interactive elements such as a Rain Wheel, Bongos, Tic Tac Toe Panel, Window Panel, and a Hard Hat Straight Slide. The structure's fall height is 38 inches, and it requires a safety zone of approximately 21.5 feet by 20.75 feet.

The structure is ADA compliant and meets ASTM F1487-17 and CPSC safety standards. The buyer is responsible for disassembly, transportation, and reassembly. Was used at a licensed preschool center.
