

**THE REPUBLIC OF UGANDA**  
**BUGIRI MUNICIPAL COUNCIL**

MEMORANDUM OF UNDERSTANDING

This Agreement (hereafter referred to as the "Memorandum") has been made between **ITT VOCATIONAL TRAINING CENTRE UGANDA** (here in after referred to as the Corporate Organization on the other part) and **INDIFAKULYA PRIMARY SCHOOL** (here in after referred to as the Beneficiary School on the other part)

Whereas the Corporate Organization has secured partnership with the Rotary Club of Ilanga for purposes of implementing T4L (Toilet for Life Project),

Whereas, the beneficiary School is desirous of benefiting from the T4L project,

Whereas the Corporate Organization and the benefiting school have entered into partnership under the T4L project,

It is agreed as follows;

**1.0 GENERAL**

- (a) That both parties accept to bind themselves to each other in this memorandum
- (b) That no party may revoke this memorandum without giving the other party due notice
- (c) In case any party wishes to revoke this memorandum, it may do so ordinarily in writing giving the other party due notice of 60 days
- (d) In pursuance of (c) above, the memorandum will be deemed to have been revoked if there is mutual acceptance and agreement of both parties.

**2.0 Obligations of the Corporate Organization**

1. That the corporate organization will undertake to carry out the general construction work under the project.
2. That the corporate Organization will undertake to monitor and supervise the project activities
3. That the corporate Organization will undertake to mobilize equipment and plants to the project site (s)

*S. M. M.*

4. That the corporate Organization will undertake to certify the quality and standards of materials delivered at the project site (s)
5. That the corporate organization will undertake to provide for the security and safety of equipment, plants and materials.
6. That the corporate Organization will undertake to empty filled toilets regularly.

### 3.0 Obligations of the Benefiting School

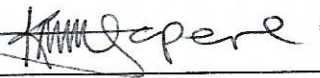

1. That the benefiting School Shall undertake to make provisions for operation and maintenance costs,
2. That benefiting School shall undertake to provide for the security and safety of equipment, Plants and Materials.
3. That the benefiting school shall undertake to provide construction materials and fuel.
4. That the benefiting School shall undertake to provide land for installation of the project (s)
5. That the benefiting School shall undertake to keep the utilities clean and under proper use at all times.
6. That the benefiting School shall undertake to provide and maintain functional hand washing facilities at the utilities.

In consideration where of both parties have set their respective hands and seals as here under.

Signed by the said.
