

## Cash Contributions to Global Grants through TRF Donor Advised Funds

The Rotary Club of Del Mar would like to inform you that our cash contribution to your Global Grant Project will be processed through the Matching Grants Website DAF# 298. The 5% TRF support fee does not apply to funds received through an eligible Donor Advised Fund (DAF).

When you fill out the funding section of the TRF GG application (Step 9: Funding), and are adding our Funding **Source**:

1. You must select "The Rotary Foundation Donor Advised Fund" under **Source**.
2. Under **Fund Name**, please type in "Matching Grants Website."
3. Under **TRF Donor Advised Account Number** please type in "298."
4. Add the amount in USD, click **Save and Close**.

If you fail to input Rotary Club of Del Mar's contribution in this way, TRF will reject the funds causing a significant delay.

Please contact me if you have any questions about this process.

Thank you and good luck on your grant!
