

GLOBAL GRANT APPLICATION TEMPLATE

The following pages outline the questions you will be asked on the online global grant application. You can use this document for planning purposes. Find the actual grant application at www.rotary.org/grants.

Step 1: Basic information

What's the name of your project?

Life Saving Project – Humidifier High Flow Oxygen and Medical Ventilator for Covid.19 Patients

What type of project are you planning? (humanitarian project, vocational training, scholarship)

All global grants support activities within Rotary's areas of focus.

Humanitarian Project for two Hospitals in Casa of Kesrouan

Select the primary host and international contacts for this project.

The primary host contact lives in the country where the project, training, or study will take place. The primary international contact lives in another country. Both contacts will be responsible for all grant-related correspondence and reporting to The Rotary Foundation.

Primary Host: Rotary Club Kesrouan, Lebanon D.2452

International:, D.....

Step 2: Committee members

The committee will include at least three members from the host sponsor and three members from the international sponsor.

Who will serve on the grant's host committee?

P. RCKE: Farid El Dahdah

Head of RCKE Administration Commission: PP. Dr. Adel Akl

Head of RCKE Rotary Foundation: Dr. Diah Jazzar

Who will serve on the grant's international committee?

.....

Do any of these committee members have potential conflicts of interest? If so, please briefly explain.

A conflict of interest is a relationship through which an individual involved in a program grant or award causes benefit for such individual or such individual's family, acquaintances, business interests, or an organization in which such individual is a trustee, director, or officer.

Not Applicable

Step 3: Project overview

Tell us a little about your project. What are the main objectives of the project, and who will benefit from it?

We're only asking for a general idea of the project. Try to be as concise as possible here. We'll ask you for details later in the application.

Since Many of Beirut Hospitals were damaged after the August 4th 2020 Blast, and as they are currently running at full degree of patient occupancy. Hospitals outside Beirut should be properly prepared to accommodate a large number of Covid.19 patients.

The beneficiaries are:

- a- COVID-19 Patients*
- b- Physicians, nurses and everyone on the health care team combating COVID-19.*
- c- Beneficiaries are 2 Lebanese Hospitals receiving and treating COVID-19 patients.
The name of 2 Hospitals is included into this grant.*

Step 4: Area of focus

Which area of focus will this project support?

Select at least one area. Note that we'll ask you to set goals and answer questions for each area of focus you select.

- Peacebuilding and conflict prevention*
- Disease prevention and treatment*
- Water, sanitation, and hygiene*
- Maternal and child health*
- Basic education and literacy*
- Community economic development*

Step 5: Measuring success

Which goals of this area of focus will your project support?

We'll ask you questions about the goals you choose, and at the end of the project, you'll report on your results for each goal. Each area of focus has its own set of goals. Select only the goals that your project will address.

All Covid-19 severe cases. Improving access to essential medical services related to COVI-19, trained community health workers.

How will you measure your project's impact?

Use only measures that are clearly linked to your goals and will demonstrate the project's impact on participants' lives, knowledge, or health. Find tips and information on how to measure results in the [Global Grant Monitoring and Evaluation Plan Supplement](#). You need to include at least one standardized measure from the drop-down menu as part of your application. (Add rows as needed.)

<i>Measure</i>	<i>Collection Method</i>	<i>Frequency</i>	<i>Beneficiaries</i>
<i>Number of patients receiving care in the hospitals</i>	<i>Direct observation</i>	<i>Every month</i>	<i>1000-2499</i>
<i>Number of COVID-19</i>	<i>Direct observation</i>	<i>Every month</i>	<i>1-39</i>

Do you know who will collect information for monitoring and evaluation?

If yes, please provide the name and contact information for that person or organization and briefly explain why this person or organization is qualified for this task. If no, please tell us how you plan to find a person or organization to complete this task.

The hospitals.

Step 6: Location and dates

HUMANITARIAN PROJECT

Where and when will your project take place?

Supporting documents

Upload any documents, such as price bids or pro forma invoices, to substantiate the listed expenses.

Step 9: Funding

Tell us about the funding you've secured for your project.

We'll use the information you enter here to calculate your maximum possible funding match from the World Fund. List all of your funding, including cash contributions and District Designated Funds (DDF). (Add rows as needed.)

#	Source	Details	Amount (USD)	Support*	Total
1	D2452		2000		2000USD

**Whenever cash is contributed to the Foundation to help fund a global grant project, an additional 5 percent is applied to help cover the cost of processing these funds. Clubs and districts can receive Paul Harris Fellow recognition points for the additional expense.*

How much World Fund money would you like to use on this project?

The World Fund can match all of the DDF contributed to your project ~~and half the amount of the cash contributions.~~

18,086.50USD (Eighteen Thousand Eighty Six and 50/100)

Step 10: Sustainability

Sustainable projects provide long-term solutions to community problems — solutions that community members themselves can support after grant funding ends. Your answers to the questions below will help us understand the components of your project that will make it sustainable.

HUMANITARIAN PROJECTS – PROJECT PLANNING

Describe the community needs that your project will address.

I quote: "We are in urgent need of three humidifiers with high flow of oxygen and one medical ventilator which can avoid or delay intubation of Covid.19 patients"

How did your project team identify these needs?

Community meeting and interview, letters from hospitals are attached

How were members of the benefiting community involved in finding solutions?

Interview with Board of the hospitals, doctors and nurses.

Members of the benefiting community will be the patients and the hospitals. Through our contact with the hospitals we were able to identify the solutions.

How were community members involved in planning the project?

The board of the hospitals are appointed from local community. Since the hospitals prepared for us the letters and determined their needs, this made the planning easier in all aspects.

HUMANITARIAN PROJECTS – PROJECT IMPLEMENTATION

Summarize each step of your project's implementation.

Do not include steps related to fundraising, applying, or reporting. (Add rows as needed.)

#	Activity	Duration
	<i>Meetings with hospitals board and doctors and nurses</i>	<i>1 week [done]</i>
	<i>Approval of the club host and international by virtual meeting</i>	<i>1 week [done]</i>
	<i>Meeting with suppliers and explaining on 1 year guarantee and spare parts availability for 3 years and training to use equipments</i>	<i>1 week [done]</i>
	<i>Purchasing & Receiving the Equipment</i>	<i>2 weeks</i>
	<i>Distributing the Equipment to the enlisted hospitals</i>	<i>2 weeks</i>

Will you work in coordination with any related initiatives in the community? If yes, briefly describe the other initiatives and how they relate to this project. If no, please explain. Are local initiatives not addressing these needs? Or, if they are, why did you decide not to work with them?

Yes, there can be value in working with other groups including government, and suppliers as they will be of great value to such needs.

Please describe the training, community outreach, or educational programs this project will include.

Training is a condition from the host sponsor club, the project will be covered by local media and our invitation for the community representative for launching ceremonies in the hospitals

How were these needs identified?

Letters from the Two Hospitals to the RC of Kesrouan.

What incentives (for example, monetary compensation, awards, certification, or publicity), will you use, if any, to encourage community members to participate in the project?

Plate in hospitals, publicity, invitation to the launching ceremony

List any community members or community groups that will oversee the continuation of the project after grant-funded activities conclude.

These may or may not be Rotary members or clubs.

The local authorities (government) in one of the Hospitals and the Congregation of “Saint Therese of the Child Jesus” in the second one.

VOCATIONAL TRAINING TEAMS – PROJECT IMPLEMENTATION

Describe the training needs that the team will address.

How did your team identify these needs?

Describe the specific objectives of the training, including what you expect training participants to gain from the team's expertise.

How were members of the local community involved in planning the training?

Will you work in coordination with any related initiatives in the community? If yes, briefly describe the other initiatives and how they relate to this project. If no, please explain. Are local initiatives not addressing these needs? Or, if they are, why did you decide not to work with them?

There can be value in working with other groups including governments, nonprofit organizations, and private companies.

What incentives (for example, monetary compensation, awards, certification, or promotion) will you use, if any, to encourage community members to participate in the training?

How will training recipients be supported after the training to keep the skills they acquire up-to-date?

List any community members or community groups that will oversee further training after the project ends.

These may or may not be Rotary members or clubs.

SCHOLARSHIP** (SEE BELOW FOR SCHOLAR PROFILE QUESTIONS)

Describe the process your team used to select this candidate.

How do this candidate's background, studies, and future plans qualify them for a global grant under this area of focus?

BUDGET

Will you purchase budget items from local vendors? Explain the process you used to select vendors.

YES,

They are well known for their Humanitarian gesture, and agreed by hospitals.

Did you use competitive bidding to select vendors? If no, please explain.

NO, As we did find their prices competitive comparing to the indicative prices given to us by the community.

Please provide an operating and maintenance plan for the equipment or materials you purchased for this project. This plan should include who will operate and maintain the equipment and how they will be trained.

The supplier will provide a letter with One Year Guarantee and training of use program.

Describe how community members will maintain the equipment after grant-funded activities conclude. Will replacement parts be available?

Through their maintenance team of work and we will provide them with a letter of the Supplier regarding availability of replacement parts.

If the grant will be used to purchase any equipment, will the equipment be culturally appropriate and conform to the community's technology standards? If yes, please explain. If no, describe how the project team will help community members adopt the technology.

Yes surely, as the community is Hospitals and have professional and complete staffs.

After the project is completed, who will own the items purchased by grant funds? No items may be owned by a Rotary district, club, or member.

The Concerned Community (Hospital) will own the purchased equipment.

FUNDING

Have you found a local funding source to sustain project outcomes for the long term? If yes, please describe this funding source.

Not Applicable

Will any part of the project generate income for ongoing project funding? If yes, please explain.

NO

Is your economic and community development activity a microcredit project? If yes, upload your [microcredit supplement](#) file.
